Question

1. Do you agree with the proposed safety scheme in Willesden Lane between junctions Winchester Avenue and Aldershot Road?

Yes No No Opinion

Comments

Equalities Monitoring Questionnaire

We are committed to ensuring that the services we provide meet the needs and requirements of all sections of the community. It is not compulsory to provide the information we are asking for but you will be helping us to meet this commitment and tailor our services to the needs of Brent's community, if you do so.

Any information given will be processed, in accordance with the Data Protection Act 1998 and therefore information which can identify you will not be published or passed to any third party.

We would appreciate your help in completing this questionnaire.

1) Your first and last name:

2) Your address:

3) What is your ethnic group? (Please tick the relevant box)

Asian or Asian British	Black or Black British	Other Ethnic Group
<input type="checkbox"/> Indian <input type="checkbox"/> Pakistani <input type="checkbox"/> Chinese <input type="checkbox"/> British <input type="checkbox"/> Asian Other	<input type="checkbox"/> Caribbean <input type="checkbox"/> African <input type="checkbox"/> Somali <input type="checkbox"/> British <input type="checkbox"/> Black Other	<input type="checkbox"/> Eastern European <input type="checkbox"/> Turkish <input type="checkbox"/> Afghan <input type="checkbox"/> Any other ethnic group
White	Mixed Race / Dual Heritage	
<input type="checkbox"/> British/English/Welsh/Scottish/Northern Irish <input type="checkbox"/> Irish <input type="checkbox"/> Traveller of Irish Heritage <input type="checkbox"/> Gypsy Roma <input type="checkbox"/> White Other	<input type="checkbox"/> White/Black Caribbean <input type="checkbox"/> White/Black African <input type="checkbox"/> White/Asian <input type="checkbox"/> Any other mixed background	<input type="checkbox"/> Prefer not to say

4) Do you consider yourself to have a disability?

Are your day to day activities (such as reading a book, shopping, using a telephone, getting washed or dressed, preparing and eating food) limited because of a health problem or disability which has lasted or is expected to last at least 12 months?

Yes No Prefer not to say

Please indicate your sex Female Male Prefer not to say

Public Consultation
Willesden Lane - Local Safety Scheme
Between Winchester Avenue to Aldershot Road junctions

This document outlines our proposals for a local safety scheme along Willesden Lane between Winchester Avenue to Aldershot Road junctions. Please read through the information in this document and then complete and return the enclosed questionnaire - postage is free. The closing date for the return of the questionnaires is: **Monday 11th August 2014.**

Why are we proposing this change?

Each year we identify roads and locations in Brent with the highest number of accidents and look at introducing road safety measures to help in reduce the number of collisions.

Over the last three years from November 2010 to October 2013 there have been twenty four personal injury accidents recorded along Willesden Lane, between Coverdale Road and Aldershot Road, three serious and twenty-one slight. There were no fatalities.

Considering the severity and density of collisions in Willesden Lane between junctions Winchester Avenue and Aldershot Road the proposed measures detailed in this document have been prioritised for this section of Willesden Lane. Introducing these measures will slow traffic speeds, improve road safety and accessibility for pedestrians and cyclists. Please see the drawing overleaf showing the full extent of the proposed safety scheme. The key points are outlined below.

What are the proposed improvements?

Proposals include:

- Construction of a new raised speed tables (75mm high) in Willesden Lane at the locations of existing zebra crossings near junctions of Aldershot Road and Douglas Road. The existing zebra crossing markings will be re-painted on the raised speed table. This proposal will help reduce vehicle speeds and improve pedestrian crossing facilities.
- Construction of a new pelican crossing on a raised speed table (75mm High) in Willesden Lane near the junction of Clarence Road to provide a controlled and safer crossing facility particularly for school children and parents.
- Construction of a new raised speed table (75mm high) in Willesden Lane at the junction of Winchester Avenue to reduce vehicle speeds and provide improved crossing facilities. The existing zebra crossing at this location and existing traffic island in Winchester Avenue will be re-installed on the raised speed table.
- The existing long parking bay outside Torbay Mansions will be split into two. Double yellow lines will be painted on the road between the two bays, and the parking bay on north eastern side will be painted partially on footway to match the existing loading space outside the Tesco store. This will free up space on the carriageway to improve the traffic flows in Willesden Lane. The current unmarked loading space outside the Tesco store will be formalised with marking for loading to comply with the traffic regulations.
- A review of existing waiting and loading restrictions and signage will be carried out throughout the scheme and the area will be 'de-cluttered' by removing redundant signs and posts.
- The planting of 10 new trees is also proposed to improve the public realm and environment. The locations for tree planting shown on the plan are indicative only and may change.

Please see the back of this document for further details on how to respond to this consultation.
